

Give something
special this year...

sustain :: renew :: empower

About us...

For-ethiopia is a small UK registered charity operating from Bristol with the aim of providing sustainable development to help the people of Ethiopia move towards self-sufficiency.

As a small charity, we have the benefit of very low overheads. We do not pay salaries, hire professional fundraiser's or rent expensive offices....

Because of this we are able to put all of the money direct to projects to benefit those who need it!

How you can help...

By supporting our projects, your gift will provide long-term benefits to communities in Ethiopia.

A: £10 will pay for a chair and contribute to equipping a school with basic necessities like desks, chairs and books

B: £20 will contribute to equipment desperately needed in a rural clinic.

C: £30 will contribute towards building a toilet block for schools, many of whom currently have no sanitation.

C: £50 will contribute towards building a well or spring capping to provide safe clean water to communities..
